Who is Eligible to Apply:

Any new or existing students and their families may apply for bursaries. Please note that, to apply for a scholarship or bursary, a student must either be enrolled or officially offered a place at Eaton Arrowsmith for the 2020-2021 school year. "Eaton Arrowsmith" refers to Eaton Arrowsmith Schools, Eaton Arrowsmith Academy, Eaton Arrowsmith Learning Center and Eaton Arrowsmith Adults.

How to Apply for a Bursary:

Eaton Arrowsmith offers bursaries based solely on financial need that vary in amount according to need. All applications must be submitted by 12:00pm on Wednesday December 4th 2019 and successful applicants will be notified by December 11th, 2019 for the 2020-2021 school year. Students receiving financial aid will have until January 17th, 2020 to accept their bursary by confirmation of enrolment for the 2020-2021 academic year.

Please Note:

- Please submit all bursary application documents as one package by mail or email.
- Students may receive both a bursary and a scholarship (must be applied for separately).
- Bursaries are awarded annually.
- Bursaries are limited and subject to availability year to year.
- As tuition fees vary by program, the amount of a student's bursary is based on their intended program for the upcoming school year. Should the student's program change, Eaton Arrowsmith School's Scholarship and Bursary Committee reserves the right to re-evaluate the amount of the bursary.
- Please ensure that all sections of this form have been completed.
- Your application will not be reviewed without all required supporting documentation (see checklist below).

Required Supporting Documentation:

It is the responsibility of the applicants to ensure all supporting documents are included when submitting the Bursary Application.
