**1100 Chestnut Street, Vancouver**

**MINDSET MATTERS** is a 45-minute documentary film that captures the stories of four students as they participate in *PowerPlay Young Entrepreneurs*, a dynamic experiential learning program. Students Josh, Emma, Muhamet and Abel are all tasked with creating their own business ventures. They must take charge of their learning, make their own decisions and are free to make mistakes.

The process of taking a business from concept to reality helps young people of all abilities discover practical success strategies, build confidence and develop important skills that transfer to other areas of life. The film serves as an ideal backdrop for a dynamic panel discussion that addresses how to engage students with diverse learning needs and empower them to transcend their challenges and reach their full potential.
